# Real Work Programme

**Fully  
supported**

work experience  
opportunities

**FUNDED BY**  
The National Lottery Community Fund

Supported by a fully-funded Job Coach, our students can learn new life skills, develop their confidence, meet new people and experience different workplace settings that match their interests.

They can also:

- study to achieve Open Awards qualifications in employability and professional development,
- build their CV,
- develop interview techniques,
- get support with application forms,
- develop their communication and organisational skills, and
- get support with transport.
