## SWEET TREATS

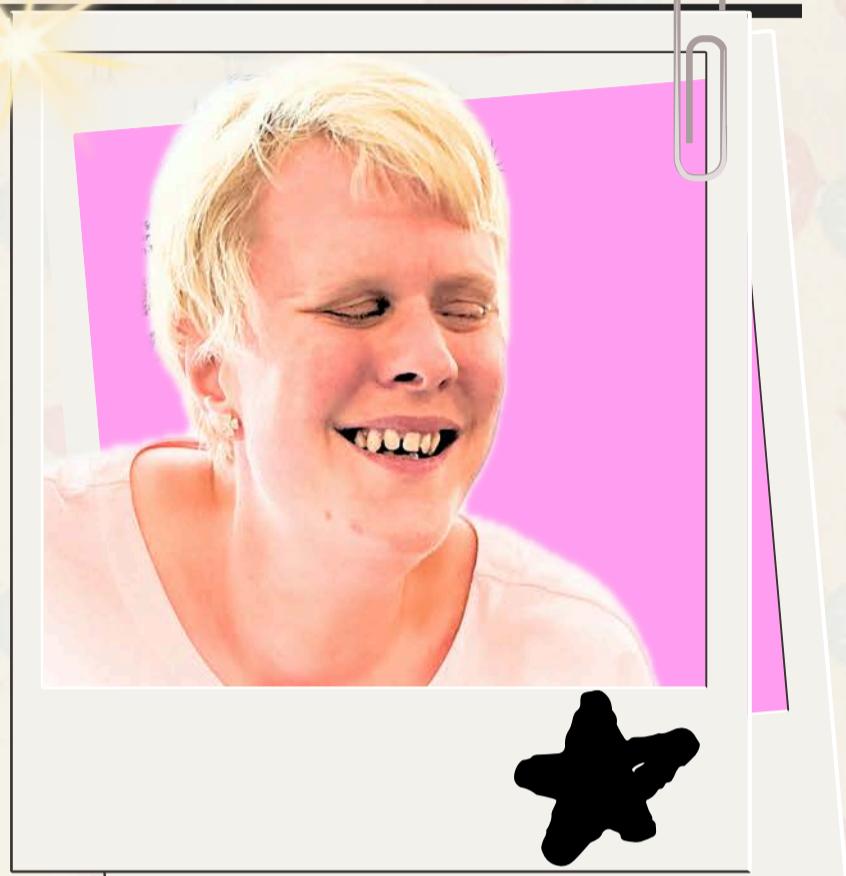

### "HI, I'M SARA":

I have been a part of *More Than Words* for 11 years now. I really enjoy going out for a brew and a bite to eat.

In my column, *Sara's Sweet Treats*, you can read all about my recommendations for places in Wigan for the best cakes, the best teas and coffees, as well as the most accessible and inclusive places in the Wigan area.

It might be more helpful than you think.

In my column, *Sara's Sweet Treats*, you can read all about my recommendations for places in Wigan for the best cakes, the best teas and coffees, as well as the most accessible and inclusive places in the Wigan area.

To begin, my first choice is typically **COSTA** COFFEE

My regular Costa is located on Robin Park, attached to NEXT. Accessibility is fairly easy, the automatic doors matched with the sloped entrance makes entering independently fairly easy. Service is quick and the staff are always lovely to me so I always enjoy a visit there. My regular order is a HOT CHOCOLATE AND A MILLIONAIRE'S SHORTBREAD. I would describe the Millionaire's Shortbread as SCRUMPTIOUS. The shortbread base is buttery and crumbly alongside the delicious caramel and rich chocolate. The whole thing is a treat for the palate, matched with the creamy luxury of the hot chocolate.
